**TRAINING**

*Get the help you need with your dog*

**RESCUE**

Since August of 2013, the resort has aided several local rescue organizations in rehabilitation training and boarding.

We have found it our mission to rescue and rehabilitate dogs in need of shelter from the cold, suffering from abuse/neglect, and those who unfortunately wind up on the euthanasia list.

We are working very hard to process and complete their 501c3 paperwork. Therefore, please aware that donations have not reached a tax-deductible status.

"Saving one dog may not change the world, but for that one dog, their world is forever changed."
